CERATIZIT is a high-technology engineering
group specialised in cutting tools and hard
material solutions.

Tooling the Future

www.ceratizit.com

We develop

the ideal machining solution
for your manufacturing needs for
drilling, milling and reaming

As a full-service provider for machining, we are masters of the carbide production process from powder to the finished cutting tool, covering the entire value chain.

Thanks to our guaranteed raw materials supply, we can react to a customer's specific requirements immediately and offer an unbelievably fast order and delivery service for high-quality solid carbide special-purpose tools.

We guarantee a delivery time of three weeks from receipt of your order and technical approval, enabling you, our customer, to plan with confidence, even in the event of bottlenecks.

How you benefit:

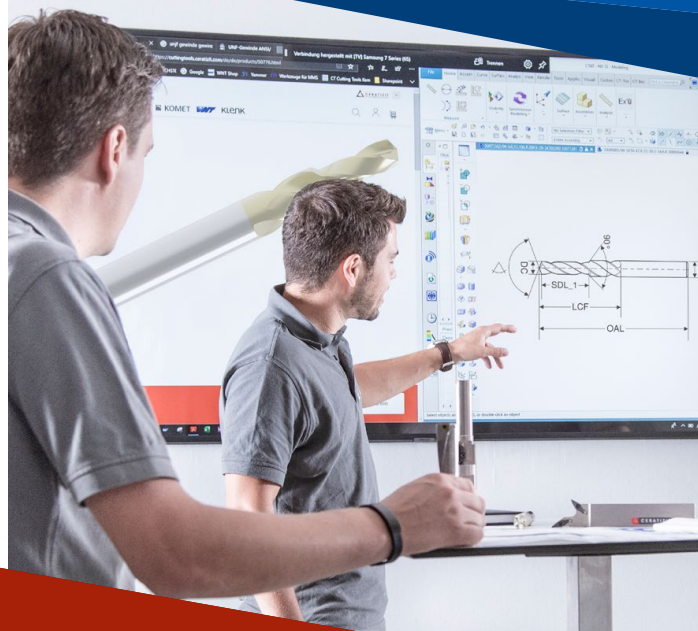

- ▲ Cost savings thanks to reduced stock requirements
- ▲ Quotes prepared within 48 hours, including drawings
- ▲ Maximum delivery time of three weeks from receipt of your order and technical approval
- ▲ Support from our Technical department and sales team.

Together we will create
the best solution!

Simply tell us what you need:

There are forms on our
cuttingtools.ceratizit.com
homepage for you to provide details of
your special-purpose tools.

Send the completed form to
techsupport.uk@ceratizit.com
or speak to our dedicated
technical sales team on 08000732075 /
your sales engineer.
